## Unique, historical, unparalleled...

There's a magical place in the center of Boston like no other—Faneuil Hall Marketplace. As alive today as it was in 1742 when our nation's fathers proclaimed it “The Cradle of Liberty,” it combines the glories of Boston's past with the urban sophistication of the city today. Just a step off the Freedom Trail, the Marketplace is within an easy walk to the New England Aquarium, the Museum of Science, Paul Revere's House, and the Boston Common. No Boston experience is complete without a visit to Faneuil Hall Marketplace.

## Shopping

The Marketplace is home to over 75 locally loved shops and specialty pushcarts offering a unique selection of hand-crafted jewelry, casual clothing, accessories and New England giftware. Shoppers can browse our carts and stores and enjoy the wares of international artisans and local entrepreneurs.

The world famous Bullmarket is home to over 38 specialty carts. Local artisans and entrepreneurs work to bring you a treasure trove of merchandise not found in your typical

retail store. Shop our carts to find: accessories for every outfit; unique apparel; handmade and personalized gifts; jewelry for all tastes; rare collectibles; one-of-a-kind New England crafts.
